## April 2019

Our last meeting was well attended and mainly involved planning and firming up presenters for the April Scout Night. We greatly appreciate all those who volunteered to do a presentation.

A committee was formed to recruit candidates for the executive positions available in May. We will be picking a new president, vice president and secretary treasurer. If you are interested in or want to nominate someone for these and other positions please contact Carol Casselman or Rob Durrant.

April is also when the Ontario Numismatic Association has its annual convention in Kingston. Bill Beattie will be our club's delegate at the convention.

**Our next meeting is Thursday 4 April 2019.** The April meeting is our annual Scout Night and has an **earlier** start time. Doors will open at 6:00 and the meeting starts at 7:00.

I would like to thank the members who donated items for the auction and door prizes. Currently we have over 30 lots for the auction and more coming.

We still have enough coins priced and in 2 x 2s to sell at one location. We also have plenty of coins just to sell loose for 10 cents each at another location. If you want to help sell coins please arrive early and bring lots of change for a float.

## Editor's Note

Spring is here and that means good travelling weather to attend shows and other clubs. The shows listed above are all within two and half hours travel time from Orillia with the exception of the ONA Convention in Kingston. If you are travelling to other parts of the country check the Coin or Stamp News for shows or club meetings in the area you are visiting.

The Georgian Bay Coin and Stamp Club holds meetings in Midland on the first Tuesday of every month (Wasaga Beach every third Thursday) and guests are always welcome. You will recognize some familiar faces in Midland as there are some of our club members and some of our past members. We have several members who belong to other clubs such as the Midland club and North York Coin Club. Most clubs welcome guests and are looking for new members.
