THE BULLETIN FOR NOVEMBER 2022

PRESIDENT'S MESSAGE

Murray Smith

Hello and welcome to our members and friends.

I hope you are enjoying the fall weather and you are staying active and healthy.

Our coin show, which was held in Gravenhurst, was a success. Thank you to the vendor members and to the many members that supported us with a visit. Your executive is discussing plans for another coin show next year.

November's meeting will include an auction, a presentation on counterfeit toonies and lots of information about our Christmas event.

Please consider volunteering a bit of time to help make our December meeting a happy and memorable time.

Auction items are always welcome at our meetings. You must supply your own beverage when we meet at the church.

I hope to see you on Wednesday, November 9.

Stay well and enjoy our hobby.

Murray S.

Attendance: 15 Guests: 1
50/50 Draw: \$15.00 Draw tickets: \$68.00
Auction: \$89.40 Membership dues: \$75.00
Donations: \$0.00 Library Fund Balance: \$71.00

President Murray Smith welcomed us back by wondering where everyone was and wishing us a Happy Thanksgiving. Murray and Secretary/Treasurer Doug McGarvey asked how many members had read the minutes published in the newsletter. They wish to save time in future meetings by skipping the reading and just having them adopted as printed. Since the newsletter had just been published last minute, Doug read the minutes which were adopted as read by Jeff Wilson and Mike Cole. October birthdays included Rob Durrant and Cindy Sherman.

Murray reiterated the protocol for inclement weather and urged members to check their email on the day of the meeting for cancelations.

Murray asked the members if the club wanted to retain their 2017 medallions including 1 silver and 4 copper. After some discussion a motion was carried that the club would keep a silver and copper and auction the rest to raise funds. The first one will be auctioned in November.

Murray announced that we are now allowed to have refreshments at our meeting. Since no one volunteered to make tea or coffee it was suggested by Murray we could just bring in our own.

The Christmas venue was re-examined due to the restrictions being lifted at the church but it decided to remain with Big Cedar Estates as there would be more room. The price limit for the gift exchange was raised to \$10 and be labelled for anyone instead of by gender.

Chris displayed his latest idea to raise funds for the club with coffee mugs made up by his wife with our

club logo. The mugs would be a very reasonable \$7 with 40% going to the club's library fund.

Rob Durrant updated us on our upcoming coin show in Gravenhurst. Rob had sold 13 tables and had ordered a number of signs online which were shown to the members. There will be a young collectors table and Chris will collect entry fees. Rob has placed announcements in the local papers as well as various coin publications.

In recognition of all the work and support Rob Durrant and his family have done for the club, Murray and Doug presented Rob with lead splash and a brass medallion of our 60th anniversary medallion.

For our show and tell time, Murray displayed a \$4 bill that his grandmother had carried in her purse for many years. Rob Durrant passed around his set of 1965 silver dollars varieties and his 1937 proof set in a clam shell case.

Our guest and now new member Jim Heifetz drew Bill Robertson as the winner of the 50/50 draw for \$7.50.

Jeff Wilson gave us his Power Point presentation on the 2-dollar coin complete with its history, production, commemorative and varieties.

We had a short break before we cleared the prize table and then Chris conducted another active auction.

Murray closed the meeting by urging us to watch our inboxes in case we get snow in November.

Remembering Bob Browne

Doug McGarvey

Our club extends its condolences to the family of member Bob Browne who passed away on the 6th of October 2022. Bob joined our club in May 2018 and gave us a unique insight into the lives of Emanuel Hahn and Elizabeth Wyn Wood as their son-in-law. Although he had never met him, Bob shared family stories when he did a presentation in 2019. I had the privilege of visiting his home and seeing original drawings and studies for the Voyager dollar. Although his time with our club was short, he left a lasting impression.

Our Condolences to Ken Booth and Family

Our club also extends its condolences to Ken Booth and family for the loss of their son from cancer. Ryan Jonathan Booth passed away on October 20th, 2022 at the age of 34 after a long and brave battle with cancer. Ryan enjoyed the outdoors and had a real passion for fishing.

Did You Know?

Canadian paper money has a long and storied history. Paper money was first used in the nation when 17th Century New France colonists used playing cards in place of Spanish and French coins. Supply of Old World coins was becoming hard to get and a local governor eventually signed off on making these playing card legal currency in New France.

Today's paper/Polymer money tells the story of Canada's history and showcases Canadian scenes.
